

INTRODUCING: MY LIFE AND WISHES®

**PREMIER LEGACY
LAW**

If something were to happen to you, would your family know where to find all the important documents?

Now, there's an easy way to keep track of everything and find copies of your important documents with the push of a button.

Imagine having a digital record of all your important papers and accounts organized in a secure place where you can access them from anywhere in the world. You would have copies of your wills, trusts, and insurance policies there and you can include information about your online accounts, login and password credentials, recurring charges, and auto pay information. You can also include copies of deeds and titles and other important documents you or your family would need in an emergency.

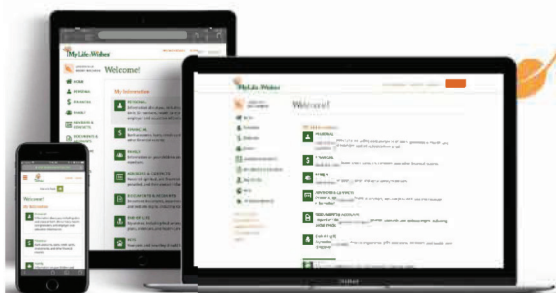

Introducing My Life and Wishes®

My Life & Wishes Includes:

- ◆ Storage and organization of your important information
- ◆ Military-grade security (AES 256 encryption)
- ◆ Ability to add users (spouse, attorney, etc.)
- ◆ Peace of mind for you & your family

Never worry again about:

- ◆ Forgotten account numbers
- ◆ Login credentials
- ◆ Misplaced or disorganized paperwork
- ◆ Losing important documents in natural disasters, like fires or hurricanes
- ◆ Leaving a mess for your loved ones when you are gone

As a valued client of Premier Legacy Law, you have free access to the **Legacy Vault**. This ultra secure online platform allows you to organize and store your estate planning documents, instructions, wishes, logins & passwords, specific care plans for family and pets, and more.

The Legacy Vault is included at no cost for existing clients.
